Not a problem Mike. Does 11-12 MST work for you or is that cutting it too close? John is only available mid-day to afternoon.

Laura,

I will be leaving on noon on Tuesday July 10<sup>th</sup> and won't be back until the 17<sup>th</sup>. I would prefer to have it before then if possible?

## Mike

Hi Mike.

July 10<sup>th</sup> in the afternoon works best for CFAC/Roux. Does 3 PM EST/1 PM MST work for EPA?

Laura

Subject: RE: Schedule Call to Discuss Soil Background Comments

Hi Laura,

I have a little dilemma, Lynn and Gunnar are on vacation until July 5. I am off on the 5<sup>th</sup> and 6<sup>th</sup>. I'm not sure we have any time critical issues, therefore I am hoping you could draft response to comments and we call to discuss this on afternoon of July 9<sup>th</sup> or morning of July 10<sup>th</sup>. In the meantime I can have folks looking at your draft responses. Your thoughts?

Thanks Mike

Subject: Schedule Call to Discuss Soil Background Comments

Mr. Cirian,

CFAC/Roux are preparing responses to USEPA's comments on the soil scope of the Background SAP. CFAC/Roux would like to setup a conference call with EPA/MDEQ on Thursday morning, June 28<sup>th</sup>, to discuss the comments. Please let me know your availability for an hour call on Thursday morning.

Thank you, Laura
